The Board denied Robert Moore request for a waiver of the on-the-job work experience to be eligible for the Water Class 3 Operator and Wastewater Class 3 Operator examinations.

The Board denied David B. Wilkins Water Class 2 Operator Certificate, W2-014344, Reinstatement Application. The Board determined that he must re-take/pass the Water Class 3 Examination and apply for Reinstatement of his Water Class 3 Operator Certificate, W3-014723. Upon the Board reinstating his W3-014723, he will then be eligible to re-take/pass the Water Class 2 Examination and submit a reinstatement application to reinstate his W2-014344.
